THE BLACK QUEEN

Skupina 4. razreda Radoznalci

OŠ Petra Zrinskog, Zagreb
2023.

There was once
a Black Queen.
She was beautiful
but very mean.

She lived in a castle,
which was
very old.

She wouldn't hire a decorator
although she had
a lot of
gold.

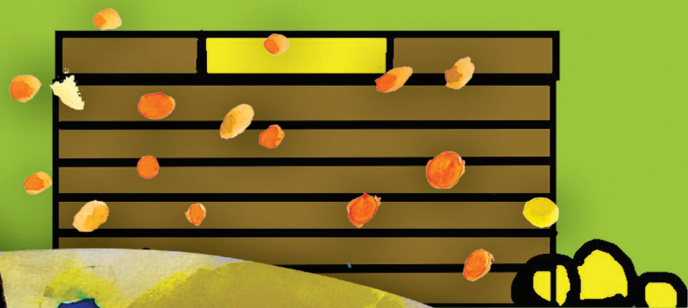

The Queen

was very clever,
so people thought
she was
a witch.

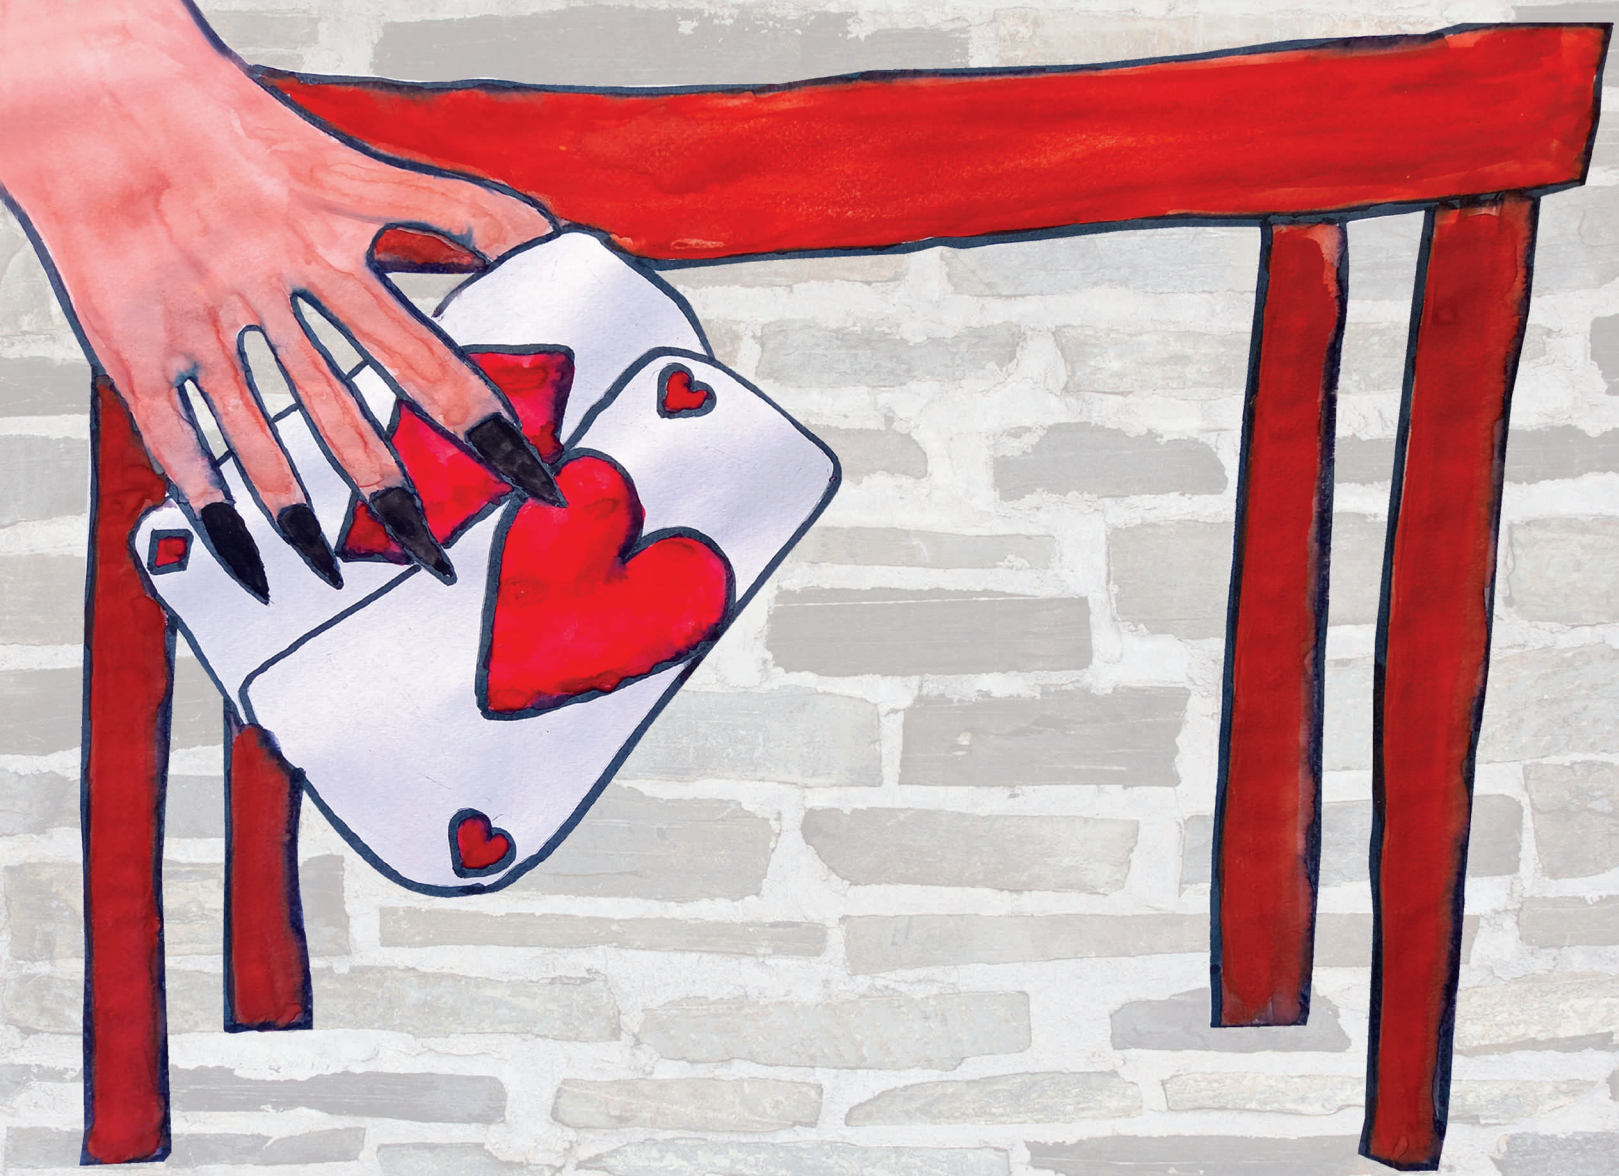

She had
a hidden treasure
and she was
very rich.

Her faithful
friend

was a big black bird,
and that bird was her
entire world.

She had
long black hair,
and it was known
she wasn't
playing fair.

She was
so pretty
and she had
a lot of lovers:

When she got
sick of them,
she threw
them off

the towers.

When she

became a snake,
everything started
to shake.

Then her old vase **broke**
and the treasure
turned to
