Gavrík

Kuril'ski bobtejl

I have got two pets: a dog and a cat. Cat's name is Gavrik. He is my favourite. We have known each other for nine years. His breed is kurilian bobtail. It is famous for its short tail. My cat is very clever, lazy and devoted to me. His worst habit is waking up at 6am and yelling at us to let him out for morning walk. My dog Vinny (Winnie the Pooh) is a fox-terrifier. He is pretty young, active and funny. Although we feed him well, he never loses a chance to hunt for hedgehogs, mice and rats. They are good friends and support each other in our long travels.
